PERSONAL STATEMENT

Technical background in Architecture and Construction, with experience in e-commerce, technical environments and customer service. Currently training as a volunteer firefighter with SDIS 28. Seeking a junior role or internship in international trade or business, where I can contribute strong customer service, operational and project coordination skills.

WORK EXPERIENCE & PROJECTS

Volunteer Firefighter in Training | SDIS 28 | September 2025 - Now

- Training towards Emergency First Aid & Casualty Care certification within SDIS 28.

Multipurpose Employee | LY Asian Supermarket | Summer 2025

- Managed stock, replenished shelves, welcomed and advised customers in a busy commercial environment.

Technical Intern | Reconnect | 2024

- Diagnosed and refurbished 30+ electronic devices, provided technical advice and sold electronic equipment.

Commercial Intern | Ford Mazda Chartres | 2024

- Supported customer service and commercial follow-up, participated in dealership negotiations and followed workshop repairs professionally.

Independent E-commerce Activity - Buy-to-Sell and Dropshipping | Since 2020

- Ran a multi-platform e-commerce activity alongside studies, managing international sourcing, dynamic pricing, logistics and customer relations; completed 500+ transactions and generated revenue above €10,000.

SCHOOL PROJECTS

Five Soccer - Designed and modelled a sports complex, including structure, networks and accessibility.

Outdoor Classroom Dome - Created a plexiglass dome through prototyping, design and 3D rendering.

Parc C'Démétaire Redevelopment - Reorganised park spaces through structural design and model-making in La Madeleine, Chartres.

LEADERSHIP & COMMUNITY INVOLVEMENT

Eco-Delegate and association volunteer - Coordinated collective actions, supervised participants and delivered activities at school-related events. Organised a festive event for the Hmong community, developing leadership and project management in a multicultural environment.

INTERNATIONAL EXPERIENCE

International exposure through experiences in Spain, the United States, the Netherlands, London and Japan.
